INTRODUCTION

MISSION STATEMENT, VISION STATEMENT, VALUES

WHAT YOU NEED TO KNOW: TELEPHONE NUMBERS / ADDRESSES

CORE CURRICULUM ON TUBERCULOSIS: WHAT THE CLINICIAN SHOULD KNOW

<http://www.cdc.gov/nchstp/tb/pubs/corecurr/default.htm>

CONTACT INVESTIGATION FOR TUBERCULOSIS: SELF-STUDY MODULE #6

<http://www.cdc.gov/nchstp/tb/pubs/6.pdf>

SECTION A. Roles and Responsibilities in the Control of Tuberculosis

- Subsection 1.0 General Information
- 2.0 Section of Vaccine-Preventable and Tuberculosis Disease Elimination (SVPTDE)
- 3.0 Health Care Providers
- 4.0 Private Laboratories
- 5.0 Public Health Nurses in the Local Public Health Agency
- 6.0 Metropolitan Tuberculosis Control Programs and Clinics
- 7.0 Missouri Rehabilitation Center's (MRC) Tuberculosis Services
- 8.0 Governmental and Voluntary Agencies

SECTION B: Diagnostic Procedure: TB Test

- Subsection 1.0 General Information
 - 1.1 Immunologic Basis for the Tuberculin Reaction
 - 1.2 Multiple Puncture (Tine) Test
- 2.0 Administration
- 3.0 Reading
 - 3.1 Annual Statement for Tuberculin Reactors
- 4.0 Interpretation
- 5.0 Recording Results
- 6.0 Reporting Positive Results
- 7.0 Follow-Up
 - 7.1 Diagnostic Services Program

SECTION C: Diagnosis Procedure: Mycobacteriology

- Subsection 1.0 Specimen Collection
 - 1.1 Sputum Collection

- 1.2 Bronchoscopy
- 1.3 Urine Collection
- 2.0 Interpretation of Laboratory Reports
- 3.0 Distribution of Laboratory Reports

SECTION D: Patient Supervision

- Subsection 1.0 Managing Newly Identified Active TB
 - 1.1 Nursing Care Plan Form
 - 1.2 Checklist for Active Disease Case
- 2.0 Obtaining/Issuing/Ordering Antituberculosis Medications
 - 2.1 Issuing Anti-tuberculosis Medications
- 3.0 Monitoring
 - Laboratory Values for Commonly Ordered Blood Tests for Persons on Anti-Tuberculosis Medications
- 4.0 Directly Observed Therapy
 - 4.1 Guidelines for DOT
- 5.0 Self-Administered Therapy (SAT)
 - 5.1 Volunteers
- 6.0 Incentives
- 7.0 Admission to MRC
- 8.0 Discharge Summary From MRC
- 9.0 HIV/TB Case Supervision
- 10.0 Patients Moving
- 11.0 Aliens/Refugee Reports

SECTION E: Infection Treatment

- Subsection 1.0 Monthly Monitoring
 - 1.1 Checklist for TB Infection
- 2.0 DOTI
 - 2.1 Guidelines For Observer of DOTI
- 3.0 Re-Exposure
- 4.0 Follow-Up After Completion

SECTION F: Screening

- Subsection 1.0 Guidelines For Screening Foreign-Born Persons
- 2.0 Refugee Health Program
- 3.0 Aliens/Refugee Reports
- 4.0 School Employees
- 5.0 Long-Term Care Facilities
- 6.0 Local Jails
 - Signs and Symptoms Checklist for TB and Rash Illnesses

- 7.0 Screening Staff/Inmates
- 8.0 Infection Treatment
- 9.0 Management of Disease
- 10.0 Contact Investigation
- 11.0 Release of Inmates

SECTION G: Diagnostic Services Program

- Subsection 1.0 General Information
- 2.0 Program Guidelines

SECTION H: Forms/Sample Letters

- Subsection 1.0 TB Forms
 - CD-1 Disease Case Report
 - TBC-1 Tuberculosis Drug Monitoring
 - TBC-2 Document Refusal of Isoniazid Infection Treatment of TB
 - TBC-4 Tuberculin Testing Record
 - TBC-8 TB Medication Request
 - TBC-10 Tuberculosis History
 - TBC-12 Follow-up Report on TB Patients
 - TBC-13 TB Worksheet For Contacts of Newly Diagnosed Cases
 - TBC-15A TB Case Register Card
 - TBC-18 TB Skin Test Record
 - RFG-1 Refugee Health Assessment Report
 - Other Sample Forms
 - Client Eligibility For Tuberculosis Diagnostic Services
 - Supervised TB Therapy Record
 - Ongoing/Discharge Evaluation of Teaching
 - Annual Statement for Tuberculin Reactors
 - Patient Care Agreement Hospital Quarantine Confinement Instructions
- 2.0 Sample Letters
 - Patient Who Has Completed Infection Treatment
 - Request for Update
 - Patient Management Agreement
 - MACET: TB Preventive Therapy in Foreign-born Health Care Workers
 - BCG Letter to Doctor
 - Thank You Letter to Doctor

SECTION I: Educational Material

- Subsection 1.0 Ordering Educational Materials

Educational Materials Regarding Tuberculosis Control Available from the
Missouri Department of Health

CDC Educational Material and Internet Resources

<http://www.cdcnpin.org/tb/pubs/TBGuide.htm>

Medication Fact Sheet: Isoniazid (INH)

Medication Fact Sheet: Rifampin

Medication Fact Sheet: Pyrazinamide (PZA)

Medication Fact Sheet: Ethambutol (Myambutol)

Tuberculosis Control Fact Sheet

APPENDICES:

- Appendix 1: Diagnosis and Treatment of Disease Caused by Nontuberculosis Mycobacteria,
American Journal of Respiratory Critical Care Medicine, Vol. 156, 1997
(American Thoracic Society)
